

Mr. Chan Chern Pong (CP Chan)
General Manager, Head of Sales Enterprise & Public Sector
NEC Corporation of Malaysia

With close to three decades of experience in various ICT disciplines, CP Chan holds a bachelor's degree in computing (information Systems) from Monash University. In his capacity as the Head of Sales for NEC Malaysia since 2017, he has the privilege of engaging with various industries and government leaders in the areas of digital transformation, that would enable companies and agencies to delivery beneficial outcomes to overall society.

Some of those engagements have resulted in key transformational projects that would see Malaysia having the best in class of the latest and most advanced digital platforms that utilizes NEC Artificial Intelligent based analytics in the areas of law enforcements and enterprise operations.
